Mail option: Packet sent out week of July 13 for \$22 fee.

No Refunds. Refund Policy: No refunds or race transfers to another participant allowed. Refunds will only be given prior to the start of race, for medical reason, with a doctor note.

Race will start on TIME!

Start time for the race is 6:30am. The course will close four hours after the last wave starts the race (approximately 11am) Unless there is a safety concern, the race will start on time. Participants need to allow enough time to check-in at Cook Park, no later than 5:45am. Please note: We anticipate approximately 600 participants this year.

Busses will transport all participants to Beach Park to begin the swim portion of the race. Timing chips will be included in your race packet. All participants must be body marked prior to entering transition. You will NOT be able to participate in the Wauconda Triathlon without body marking.

Rules/Guidelines

The race will begin in time trial waves, sending off athletes every 5 seconds at Beach Park, 112 Park Street. Wet suits are allowed; water temperature on race day is expected to be between 74 and 78 degrees. If the (air/water) temperature is greater than 84 degrees, wet suits will NOT be allowed. Swim caps will be provided, and are required for the swim portion of the race. Caps are color-coded by race wave. Lifeguards and other water safety patrol personnel will be on hand to ensure a safe swim for participants. Bike helmets, approved by the Consumer Product Safety Commission (CPSC) must be shown to race staff upon entering the transition area. Once approved, participants must wear and secure their helmets: No helmet-No racing!

All bikes must be mounted and dismounted outside the transition area. All bike handlebars must have end caps. USAT Officials will monitor the course for violations.

Transition Area: Only participants are allowed in the transition area (Cook Park). Each participant will be provided a bike number that matches your bib number. This number must be on your bike prior to entering the transition area. Only the triathlete matching the race number will be allowed in/out of the transition area with the bike. This procedure is in place for the protection of your bike and equipment. Only one bike per rider is allowed in the transition area. The transition area will open at 4:30am and remain secure until half an hour after the final participant crosses the finish line. All participants must be out of the transition area by 6am. Participants will not be allowed to remove any items from the transition area until the last participant has begun the run portion of the event.

Bike Route (12.0 miles Sprint)

The bike course is challenging and hilly. The entire bike course is open to regular road traffic. Please be aware of your surroundings and be careful. Always use caution and remain to the right hand side of the road. Volunteers and signs will be on the course to remind participants of where to go. Headphones are prohibited. All bike handlebars must have end caps.

Run (3.1 miles Sprint)

Race numbers will be provided - this is especially important for teams. Numbers must be worn on the run. The route is in a residential area, and roads are not closed to traffic. Volunteers and signs will direct the runners and the auto traffic, but remain cautious. Fluids will be available at two aid stations on the run course. Headphones are prohibited.

Refreshments

There should be ample food and beverages at the finish line. Please refuel yourselves and refrain from feeding family, friends and spectators. These items are intended for the athletes only.

Course Maps

Course maps will be available online at waucondaparks.com in early June.

Parking

Parking will be available at Wauconda High School, directly across the street from Cook Park. No parking will be available at Cook Park on race day.

Race Results

Race results will be posted periodically as racers finish, and at the awards ceremony - approximately 9:30am. Participants will receive unofficial times upon completion of the race. Results will also be posted online at waucondaparks.com or mychicagoathlete.com, no later than Monday, July 20 at 12:00 pm.
