Who's calling the shots?

Hot Shots Sports coaches are in the house to show us the ropes, tune up our skills, and get us ready for play! Hot Shots Sports is a private organization that develops and organizes youth athletic programming in the Chicago area. Hot Shots Sports programs stress the pure enjoyment of being involved in athletics and offers the opportunity for children to develop their skills in an environment where everyone plays, and reward is given for the effort rather than the result.

If you are interested, have questions, contact Athletic Supervisor, Debbie Yakimisky at 847-526-3610 or email dyakimisky@waucondaparks.com
